

Dear Patron or Local Business,

East Nicolaus Jr. Spartans Football and Cheer program (ENJS) humbly appeals to your generosity and asks that you consider our organization worthy of your sponsorship and/or a donation. ENJS is a non-profit organization under tax ID # 82-4135614 serving the communities in the southern parts of Yuba and Sutter counties. The organization's mission is to promote community citizenship, good sportsmanship, and physical and mental development through healthy, organized competition, and teamwork for our participants ages five through fourteen. ENJS has each year coached over 130 youth in the basic fundamentals of football and cheer, fostered good sportsmanship, and provided an excellent physical challenge. This accomplishment is under the direction of 15 volunteer board members, and over 20 volunteer coaches. There are no paid positions within this organization. It is our vision to continue growing the program as the population of our community grows and the families in our communities understand the value of our program and our commitment to the youth we serve.

Each year, we strive to keep the registration fees from increasing for our participants and their families. Your sponsorship and/or donation will help to keep these fees from increasing. It will also assist with many other expenses which include purchasing a new scoreboard, cheerleading mats, uniforms, player equipment, concession equipment, etc.

By making a contribution, your business would receive local recognition and advertising at our home games throughout the 2021 season!

We hope we can count on you to support our young athletes. Please fill out the form below and contact Brandi Chapman at gojrspartans@gmail.com or (530) 415-1929 to accept your donation and arrange for advertising.

Sincerely,

Amanda Appelt

Amanda Appelt, President
East Nicolaus Jr. Spartans Football and Cheer Program

Mission Statement: Be a leader in our community through coaching football & cheer fundamentals at the youth level. Providing a fun, safe environment, breeding hard work, dedication and most importantly an understanding of what it means to be a part of a TEAM. Enlisting strong positive leadership from the community with the understanding that "We do it for the kids."
